Appendix: Princess Margaretha's marriage.

Prince Axel of Denmark-Iceland (1888-1964)

Margaretha's husband Prince Axel of Denmark was born August 12, 1888 & died July 14, 1964. The father was Prince Waldemar of Denmark (1858-1939). The mother was Marie of Orléans (1865-1909). Margaretha & Axel were married 1919-1964. They had two children.

Axel's role within the Danish royal family as a trade ambassador corresponded to Prince Bertil's role within the Swedish royal family. It is suggested that Axel was both alcoholic and unfaithful, "had a roving eye"[1], but there is no evidence to prove it.
